Professional Summary

Proactive and highly disciplined B2B Lead Generation Specialist based in Alicante. Native Russian speaker with fluent English and Spanish. Proven track record of independently building B2B pipelines from scratch, identifying decision-makers, and rigorously managing CRM data. Highly motivated to bring an organized, data-driven prospecting mindset to bcount's scaling SDR team in Alicante, leveraging relentless discipline to qualify leads and drive continuous growth.

Experience

Founder & Lead Generation Specialist — CLG Project

Jul 2025 – Present | Independent practice, remote (Alicante based)

- Built and ran an end-to-end B2B outbound system from scratch targeting US-based companies (Home Services and E-commerce) without team or budget support.
 - Sourced and qualified 500+ B2B prospects using structured ICP criteria and data-scraping workflows, segmenting lists for highly targeted outreach.
 - Designed and executed rigorous cold email and LinkedIn sequences, utilizing A/B testing on subject lines and CTAs to consistently improve open and reply rates.
 - Generated a consistent 5–10 qualified leads per week and successfully converted outbound efforts into 3 discovery meetings with decision-makers.
 - Managed prospect data, communication histories, and lead qualification statuses with strict discipline using CRM platforms (HubSpot, Salesforce), ensuring no opportunity was lost.
 - Set up and maintained sender domain health (SPF, DKIM, DMARC) and mailbox warm-ups to guarantee high deliverability for all digital outreach campaigns.
 - Evaluated client needs remotely and facilitated qualified introductions to partner digital agencies, operating on a performance-driven referral fee model.
